

# **POSITION DESCRIPTION**

Position Title:	Senior Physiotherapist
Department:	Royal Rehab Private - Ryde
Location:	Royal Rehab Private - Ryde

Employment Screening Check:				
National Criminal Record Check required:	Yes			
Working with Children Check required:	Yes			
Vaccination Category required:	Category A			
Online driving record check required	No			

## **Position Purpose:**

To provide high-quality person-centred assessment and interventions including aquatic physiotherapy to maximise clients' physical function and activities that are meaningful to them. The senior physiotherapist is an integral member of the rehabilitation team bringing physiotherapy expertise vital to the success of the private model of service delivery.

#### **Organisation Context:**

The Royal Rehab Private -Ryde is a business segment of Royal Rehab Group. The service provides inpatient rehabilitation programs for a neurological, orthopaedic and reconditioning case-mix. The driving philosophy of care is that of person centeredness and collaboration between all stakeholders. The service is a mixed model of care, with six beds funded through NSW Health (Spinal Cord Injury) and 18 beds funded through patient fees from private health insurance, compensable insurance and self-insurance. Private rehabilitation is delivered within time-limited episodes of care informed by the AN-SNAP length of stay parameters. Public rehabilitation in delivered within the same framework as our Spinal Cord Injury Unit.

Organisational Relationships:	
Reports to:	Operational: Clinical Operations Manager (COM) Professional: Physiotherapy Professional Leader (PL)
Responsible for:	Clinical supervision of Level 1/2 physiotherapists and assistant

#### **Performance Review & Development Planning:**

Assessment against service, professional and organisation performance indicators, and development of professional development plan will occur 3 months after commencement, and annually thereafter.

## **Qualifications, Skills & Experience:**

## Essential

- Registration with AHPRA
- At least 3 years' experience working in an inpatient rehabilitation service covering a neurological and orthopaedic caseload including aquatic physiotherapy
- Advanced clinical skills across a range of neurological conditions including experience in and/or knowledge of vestibular rehabilitation
- Experience with NDIS, LTCS/iCare and other compensable reports
- Experience with supervision of physiotherapists and students
- Demonstration of effective multidisciplinary teamwork
- Demonstrated evidence of professional development and commitment to evidence based practice
- Demonstrated excellent time management and self-organisational skills
- Demonstrated excellence in written and verbal communication skills
- Demonstrated commitment to quality activities

# Desirable:

- Experience working with people with spinal cord injury
- Experience working in a private rehabilitation setting

## **GENERAL RESPONSIBILITIES**

#### Work Health and Safety

Royal Rehab is committed to providing a healthy and safe workplace for all employees, clients and visitors. To facilitate this safe and healthy workplace it is your responsibility to:

- Ensure that all potential hazards, accidents and incidents are identified and notified.
- Ensure your own safety and that of others.

#### Equity and Zero Tolerance to Bullying, Harassment and Discrimination

Royal Rehab upholds the Federal and State government's policies to bring equality in employment for all employees to assist them to achieve their full potential. Royal Rehab will ensure merit based selection and that all facets of employment are fair, by making unlawful discrimination of persons based on gender, pregnancy, race, religion, marital status, age, sexual preferences, disability or carer responsibilities.

As an employee of Royal Rehab, it is your responsibility to:

- Deal with others in a fair and equitable manner free from harassment and discrimination.
- Ensure that a working environment free from sexual or any other harassment is recognised as a basic right.

#### **Principles of Multiculturalism**

Employees are expected to:

- Respect and make provision for culture, language and religion of others within an Australian legal and institutional framework where English is the common language.
- Organise access to health care interpreting services to facilitate communication with clients who are from non-English speaking backgrounds as required.
- Abide by the principles of the Multiculturalism Act 2000.
- Implement the Multicultural Policies and Services Program (MPSP) within their area of responsibility.

## Code of Conduct

Royal Rehab requires a professional standard of behaviour from staff which:

- Demonstrates respect for the right of the individual and the community.
- Promotes and maintains public confidence and trust in the work of the Centre.

The purpose of the Code of Conduct is to provide a framework for decisions and actions in relation to conduct in employment. The code provides assistance to both employers and employees when they are required to decide what the acceptable standards of behaviour are. It underpins commitment to a duty of care to all staff and clients receiving our services. Employees should refer to the Code of Conduct for further information.

#### Safety & Continuous Quality Improvement

All employees of Royal Rehab are expected to be actively involved in the review, evaluation and continuous improvement of processes and services within the employee's area of responsibility and/or interest. Royal Rehab participates in a number of relevant external accreditation and certification programs which include a continuous quality improvement approach. These programs support and facilitate the effective and efficient provision of quality care and the safety of clients of Royal Rehab.

## **Organisational Values**

Employees are expected to demonstrate a high standard of personal and professional behaviour and uphold Royal Rehab's values being:

## Honesty: We conduct ourselves with truth, openness and integrity.

I will:

- Be sincere and genuine will all interactions.
- Communicate openly and encourage others to do the same.
- Be trustworthy in all that I do.

#### Respect: We acknowledge and appreciate people's rights, roles, views, and feelings.

I will:

- Treat people with dignity.
- Acknowledge and value a person's perspectives, connections and diversity.
- Be thoughtful and considerate.

#### Working Together: We work as a team to achieve shared goals.

I will:

- Share my knowledge, skills, experience and resources.
- Foster a culture of learning.
- Build positive relationships.

#### Innovative Thinking: We embrace a culture of creativity to find the best solutions.

I will:

- Explore better ways to continuously improve.
- Welcome and encourage new ideas.
- Actively participate in change.

## **Environmental Policy and Waste Minimisation**

Being a good corporate citizen Royal Rehab will seek to implement changes that will ensure that its activities are undertaken in a manner consistent with best environmental health and safety practice. Employees are expected to be accountable for efficient resource utilisation, the reduction of waste, and commitment to recycling.

#### **Smoke Free Policy**

Royal Rehab is committed to adopting a smoke free workplace that will preclude all staff and visitors from smoking within the Centre.

#### **Royal Rehab Policies and Procedures**

It is a requirement that all Royal Rehab employees read, understand and adhere to Royal Rehab policies and procedures, paying particular attention to the following:

- Manual Handling
- Confidentiality of Patient Information
- Infection Control
- Security
- Fire Safety
- Emergency Procedures
- IT and Internet Utilisation
