

POSITION DESCRIPTION

Position Title:	Physiotherapist
Department:	Brain Injury Rehabilitation Service (BIRS)
Location:	Brain Injury Unit (BIU), Royal Rehab Ryde, NSW

Employment Screening Check:	
National Criminal Record Check required:	Yes
Working with Children Check required:	Yes
Vaccination Category required:	Category A
Online Driving Record Check required:	No
NDIS Worker Screening Check required:	No

Position Purpose:
<p>This position shares caseloads with another physiotherapist, which involves providing a comprehensive handover. The position works within a multidisciplinary team, alongside a Senior Physiotherapist and 2 Physiotherapy Assistants providing high quality, evidenced-based physiotherapy interventions to clients of the Brain Injury Unit. The position is expected to contribute to the physiotherapy service and BIRS quality improvement and educational programs, along with fulfilling administrative duties.</p>

Organisation Context:
<p>The Brain Injury Rehabilitation Service provides in-patient and community rehabilitation to adults with traumatic brain injuries as part of an interdisciplinary team in partnership with our clients. Client programs are goal directed and involve multiple service delivery models including individual therapy, group therapy and community-based intervention. This role is within the inpatient team.</p>

Organisational Relationships:	
Reports to:	Physiotherapy Professional Leader and Clinical Operations Manager. Clinical supervision provided by Senior Physiotherapists.
Responsible for:	Tasks delegated to an Allied Health Assistant

Performance Review & Development Planning:
<p>Assessment against service, professional and organisation performance indicators, and development of professional development plan will occur 3 months after commencement, and annually thereafter</p>

Qualifications, Skills & Experience:
Essential

- Registration with AHPRA.
- Experience working in an inpatient rehabilitation service covering a neurological caseload and aquatic physiotherapy (competent swimmer).
- Experience working with compensable clients and/or knowledge of systems involved.
- Demonstration of effective multidisciplinary teamwork.
- Demonstration of evidence of relevant professional development and commitment to evidence-based practice.
- Demonstration of excellent time management and self-organisational skills.
- Demonstration of excellence in written and verbal communication skills.

Desirable

- Experience in the physiotherapy management of people with traumatic brain injury in an inpatient rehabilitation setting.
- Experience and/or sound knowledge of quality and research activities.
- Experience in supervising physiotherapy students.

Key Internal & External Relationships:

Internal	Physiotherapy Professional Leader, Director of Allied Health, Clinical Operations Manager, Rehabilitation Specialists, Multidisciplinary team members, physiotherapists across the organisation
External	Colleagues at other health facilities, equipment suppliers, private health funders, ENABLE NSW, iCare, NDIS, University

Delegations/Authority

Budget	N/A
Financial Delegations	As defined by the Delegations Authority policy

GENERAL RESPONSIBILITIES

Work Health and Safety

Royal Rehab is committed to providing a healthy and safe workplace for all employees, clients and visitors. To facilitate this safe and healthy workplace it is your responsibility to:

- Ensure that all potential hazards, accidents and incidents are identified and notified
- Ensure your own safety and that of others

Equity and Zero Tolerance to Bullying, Harassment and Discrimination

Royal Rehab upholds the Federal and State government's policies to bring equality in employment for all employees to assist them to achieve their full potential. Royal Rehab will ensure merit based selection and that all facets of employment are fair, by making unlawful discrimination of persons based on gender, pregnancy, race, religion, marital status, age, sexual preferences, disability or carer responsibilities.

As an employee of Royal Rehab it is your responsibility to:

- Deal with others in a fair and equitable manner free from harassment and discrimination
- Ensure that a working environment free from sexual or any other harassment is recognised as a basic right

Principles of Multiculturalism

Employees are expected to:

- Respect and make provision for culture, language and religion of others within an Australian legal and institutional framework where English is the common language
- Organise access to health care interpreting services to facilitate communication with clients who are from non-English speaking backgrounds as required
- Abide by the principles of the Multiculturalism Act 2000
- Implement the Multicultural Policies and Services Program (MPSP) within their area of responsibility

Code of Conduct

Royal Rehab requires a professional standard of behaviour from staff which:

- Demonstrates respect for the right of the individual and the community
- Promotes and maintains public confidence and trust in the work of the Centre

The purpose of the Code of Conduct is to provide a framework for decisions and actions in relation to conduct in employment. The code provides assistance to both employers and employees when they are required to decide what the acceptable standards of behaviour are. It underpins commitment to a duty of care to all staff and clients receiving our services. Employees should refer to the Code of Conduct for further information

Safety & Continuous Quality Improvement

All employees of Royal Rehab are expected to be actively involved in the review, evaluation and continuous improvement of processes and services within the employee's area of responsibility and/or interest. Royal Rehab participates in a number of relevant external accreditation and certification programs which include a continuous quality improvement approach. These programs support and facilitate the effective and efficient provision of quality care and the safety of clients of Royal Rehab.

Organisational Values

Employees are expected to demonstrate a high standard of personal and professional behaviour and uphold Royal Rehab's values being:

Honesty: We conduct ourselves with truth, openness and integrity.

I will:

- Be sincere and genuine with all interactions.
- Communicate openly and encourage others to do the same.
- Be trustworthy in all that I do.

Respect: We acknowledge and appreciate people's rights, roles, views, and feelings.

I will:

- Treat people with dignity.
- Acknowledge and value a person's perspectives, connections and diversity.
- Be thoughtful and considerate.

Working Together: We work as a team to achieve shared goals.

I will:

- Share my knowledge, skills, experience and resources.
- Foster a culture of learning.
- Build positive relationships.

Innovative Thinking: We embrace a culture of creativity to find the best solutions.

I will:

- Explore better ways to continuously improve.
- Welcome and encourage new ideas.
- Actively participate in change.

Environmental Policy and Waste Minimisation

Being a good corporate citizen Royal Rehab will seek to implement changes that will ensure that its activities are undertaken in a manner consistent with best environmental health and safety practice. Employees are expected to be accountable for efficient resource utilisation, the reduction of waste, and commitment to recycling

Smoke Free Policy

Royal Rehab is committed to adopting a smoke free workplace that will preclude all staff and visitors from smoking within the Centre

Royal Rehab Policies and Procedures

It is a requirement that all Royal Rehab employees read, understand and adhere to Royal Rehab policies and procedures, paying particular attention to the following:

- Manual Handling
- Confidentiality of Patient Information
- Infection Control
- Security
- Fire Safety
- Emergency Procedures
- IT and Internet Utilisation
